

ONE THING IT CAN'T DO IS MAKE COFFEE. YET.

LS 460
LS 600h L

 **LEXUS**
The pursuit of perfection

IT CAN SENSE DANGER AND INSTANTLY REACT
TO PROTECT YOU AND YOUR PASSENGERS.

Active Dynamic Safety:

- The revolutionary Pre-Crash safety system uses millimeter-wave radar to detect objects moving into the vehicle's path. A warning sound alerts the driver that a crash is imminent, while the system activates counter maneuvers by preparing the brakes, retracting the seat belts, or deploying airbags

- Intelligent Adaptive Front Lighting System (AFS) illuminates more of the road when cornering
- Bi-High Intensity Discharge headlamps
- Active Cruise Control helps maintain a pre-set following distance from the car travelling in front of you
- Front Active headrests designed to move upward and forward to help reduce whiplash injury
- Variable Gear Ratio Steering (VGRS) adjusts the steering ratio based on the vehicle's speed
- Vehicle Dynamics Integrated Management (VDIM) System uses a sophisticated network of sensors to automatically apply various stability and safety measures as needed to enhance overall control and comfort
- Reverse Camera and Back Guide Monitor helps improve the driver's rearview visibility when reversing
- Intelligent Park Assist automatically and independently steers and parks the LS in parallel and series parking spaces, leaving the driver hands free, simply to ease on and off the brakes as needed.

THE LEXUS LS 600h L PERFORMANCEHYBRID. INCREASED LUXURY FOR THE FORTUNATE FEW.

The Lexus PERFORMANCE HYBRID system integrates a 5.0-litre V8 engine with a high torque electric motor and a smaller, more powerful hybrid battery. Together they deliver a combined 327 kW along with the fuel efficiency of a non-hybrid compact sedan and significantly lower smog-forming emissions.

5.0 litre V8 engine enhanced by a 165 kW high performance electric motor, delivers enhanced power and torque to the All Wheel Drive (AWD) system, with 70% less emissions.

Electric motor: 300 Nm torque.

Petrol engine: 520 Nm torque at 4000 rpm.

0-100 km/h in 6.3 seconds.

Certified Super Ultra Low Emissions Vehicle (SULEV).

Electronically Controlled Regenerative braking: Kinetic energy produced during braking is captured and converted to electricity.

9.3 litres/100 km.

Rear seat power adjustment allows a maximum 45 degree recline.

Fully retractable ottoman for ultimate limousine seating comfort.

A long wheel base allows for an additional 120 mm of leg room for the rear seat passengers.

Rear seat air-assisted massage system stimulates professional massage techniques with a range of different programmes available.

LED headlamps.

LS 600h L SPECIFICATIONS

*LS 600h L has all basic specifications as LS 460.
Below are additional specs available on LS 600h L only.

	LS 600h L
Engine	
Cylinders/valves	V8 32-valve DOHC with Dual VVT-iE
Capacity (cc)	4 969
Power (kW @ r/min)	290 @ 6 400
Torque (Nm @ r/min)	520 @ 4 000
Gearbox type	ECVT
All Wheel Drive (AWD)	.
Motor	
Max. output (kW)	165
Max. torque (Nm)	300
System Output	
Max. output (kW)	327
Performance	
Max. speed (km/h)	250
0-100 km/h (seconds)	6.3
Fuel consumption (l/km)	9.3
CO ₂ emissions (g/km)	219
Weight	
Gross vehicle mass (kg)	2760
Kerb weight (kg)	2 410 - 2 460
Dimensions and Capacities	
Length (mm)	5 180
Width (mm)	1 875
Height (mm)	1 480
Fuel tank (l)	84
Boot capacity (l)	370
Features	
Rear fixed console	.
Rear premium power recliner seat with multi-function massage function and ottoman	.
4 Spoke wood steering wheel with heater function	.
Rear seat cushion airbags	.
LED headlamps	.

* LS 600h L does not tow

DRIVING IT MAKES EVERY ROAD FEEL LIKE SILK.

Impressive performance credentials:

- 4.6 litre V8 petrol engine
- 280 kW of power
- 493 Nm torque
- 0-100 km/h in 5.7 seconds
- World's first eight-speed automatic transmission
- Adaptive Variable Suspension (AVS) allows you to determine the feel of your ride by selecting either Comfort, Normal or Sport mode
- Air Suspension effectively controls body roll, road shock and auto leveling to provide an extraordinarily smooth ride

IN SUCH BEAUTIFUL SURROUNDINGS, YOU'LL LONG FOR TRAFFIC.

First-class cabin:

- 12-way electrically adjustable heated and ventilated front seats with 4-way lumbar support and memory
- 4 -zone climate control allows you and your passengers to select their own ideal temperature setting
- 8" Electronic Multi-Vision touch screen display
- HDD Navigation, Bluetooth® and voice command
- 19 speaker Mark Levinson® premium audio Surround Sound System
- 6 DVD changer with AUX jack and USB port for the use of iPod® or other media players
- Rear-seat Entertainment System with 9 inch roof mounted LCD screen, remote controlled DVD player
- Rear console with cooler box, climate control, audio and RSE (Rear Seat Entertainment) controls
- Soft close doors and boot for further refinement

LS 460 SPECIFICATIONS
